Speech-Language-Hearing Month!

Our amazing SLPs work with our kiddos to improve verbal and non-verbal communication, social communication, sound production, feeding and swallowing, and language comprehension and expression to name a few! We're so thankful for them and all their hard work and dedication! Way to go SLPs!

Summer Schedules!

We like to stay consistent and stick to the same therapy schedule throughout the year, but please let our office staff know if you need to adjust your schedule for summer. Please note that your original spot will be filled and may not be available in the fall.

UPCOMING EVENTS

Outdoor & Water Play

As the weather warms up & the sun shines bright again, we will be incorporating more outdoor play in our therapy sessions. *Please let us know if you prefer your loved one to stick to indoor sessions only.*

Stay tuned for any future water and outdoor play weeks that will be announced in the near future!

COMMUNITY EVENTS

The **AMAZEUM** is a great place to encourage children to explore, be active, and keep learning--even during summer break. The facility also provides a variety of sensory resources, areas, activities, and more! You can visit www.amazeum.org/visit/accessibility/ to learn more about the resources they have available.

Crystal Bridges offers many opportunities for both neurodivergent and neurotypical children and family activities over the summer! crystalbridges.org/families/camps/

You can also experience walking inside and outside the museum, where they also offer free sensory bags at checkout!
